Here in the Art Library we have around 15,000 books available to loan, covering all aspects of art & design, fashion and graphic arts. We are the biggest public art library in the North.

We also have a large reference section that includes art dictionaries & encyclopaedia, exhibition catalogues, and sales guides. Many of these are local, such as Leeds Art Gallery exhibition catalogues, and are available to view on request. Ask the staff behind the counter for more information, we're happy to help!

To become a member of the library, bring two forms of ID to any counter— one with your name (eg. Passport, driving license) and another with your address (eg. utility bill, bank statement).
